

NOVEMBER 26-30

IPM MASTERY

Attention greenhouse Growers!

You are invited to an exclusive, in-depth training course on all things IPM!

Hosted by Crop Defenders, your local greenhouse bio-supplier, this is a one-of-a-kind event. Our team of highly experienced staff and guest speakers will be covering a variety of topics such as:

- ❖ Greenhouse pests
- ❖ Plant diseases & deficiencies
- ❖ Scouting techniques for more efficient pest detection & control
- ❖ Biologicals – the best application techniques, proper storage for optimal performance, & in-house quality test training
- ❖ Population dynamics of pests and biologicals
- ❖ Integration of different IPM tactics such as pesticides, microbials, beneficial insects, & trapping
- ❖ Effective pollination
- ❖ Cleanout strategies to achieve a truly “clean” greenhouse

Let us teach you our money-saving techniques, and never go over your budget on bios again! We will be at the **Best Western Plus Monarch Room from November 26th to the 30th.**

Per person cost: ~~\$9,990~~ Discounted price: \$4,990

Contact us to sign up and get more information, and don't forget to ask us how to qualify for up to 70% government funding for the event.

~ We hope to see you there!

Learn key information that will save you \$\$\$ on your IPM program!

Meet Buglady Suzanne & hear her unique expert tips on pest management!

Ask us how you can qualify for funding that covers up to 70% of the program cost.

Become a member of the IPM Elites community.

You can be the IPM expert your farm needs!
